# Jacob R. Lembeck

5030 Riverhill Road Marietta, GA 30068 | 770-543-9603 | jlembeck52@outlook.com | Citizen

## Objective

Driven Computer Engineering student seeking a Summer 2028 internship to contribute to hardware-software development and gain hands-on industry experience in a collaborative environment.

## Education

**Georgia Institute of Technology | Atlanta, GA** ***August 2026 – Present***
**Bachelor of Science in Computer Engineering, GPA: 4.00** **Expected Graduation, December 2029**
Academic Standing: Junior (61 credits completed)
SAT: 1580 (790 Math/790 Reading); perfect score PSAT/NMSTQ
US Presidential Scholars Program Candidate (1 of ~6700 Nationwide); National Merit Finalist; Zell Miller Scholarship recipient

**Walton High School | Marietta, GA** ***August 2022 – May 2026***
Stem Advanced Math & Science Program, GPA: W/4.77 UW/3.98
Georgia Certificate of Merit; AP Capstone Diploma

## Skills

**Programming:** Java
**Software:** PowerBI

## Experience

**Northcraft Analytics | Marietta, Georgia** *June – August 2025*
***Data Analyst Intern***
*Northcraft Analytics is the only provider of an installable CIO dashboard, SingularIT*
- Developed interactive, multi-page PowerBI dashboards
- Enhanced and maintained existing dashboards improving visual data and interface usability
- Analyzed complex data sets from diverse software tools to ensure reliable reporting

**Yogli Mogli | Marietta, Georgia** *July – September 2025*
***Server/Solo Shift***
- Prepared store for opening/closing, engage with customers, refill frozen yogurt machines, handle register, clean store

## Projects

**AP Capstone Scholar/Independent Researcher/AP Research** *August 2025 – May 2026*
*Individual research project analyzing the ability of different age groups to identify AI voices based on emotional tone*
- Designed and executed an academic-year behavioral study with 60 plus participants analyzing how age-related factors influence a person's capability to identify AI-generated synthetic voices across diverse emotional tones
- Composed a comprehensive 4000-word academic research paper as well as a formal presentation that synthesized original methodology with an extensive review of human computer interaction trends

## Activities

**Tutor | Marietta, Georgia** *August 2024 – May 2026*
- Tutored students for SAT, Algebra 1 and 2, and Geometry

**Computer Science Honor Society | Marietta, Georgia** *August 2024 – May 2026*
- Collaborated on coding projects for hackathons
- Volunteered to help teach coding to children
